\*These meetings did not follow the "Principles for the Selection and Management of EAA Outdoor Permit Meetings" point 4.2. having at least 14 scoring events.

For Dubnica nad Vahom and Kalamata only events with 3 European athletes have been counted, therefore both meetings did not meet the requirement of 14 scoring events.

### Notes:

- The Meetings: "International Meeting Madeira" in Funchal/POR was cancelled.
- The EAA International Combined Events Meeting in Maribor/SLO cannot be scored with IAAF Scoring Tables of Athletics.

The ranking of each Meeting has been calculated by adding the top 5 performances in the best 14 events plus the two next best scoring performances bringing the total number of performances considered for evaluation to 72. Walk and combined events are not considered.
