Following are the basic requirements: -

CROSS COUNTRY

A course on an approximate minimum of 1600 metres, capable of accommodating fields of between 100 and 450 competitors. Adequate changing accommodation capable of accommodating men and women, in reasonable close proximity to the course. Adequate showers for both men and women are also necessary. Results area with electricity supply and phone line.

ROAD RACES / WALKS / MARATHONS:

A well surfaced safe course preferably on wide quiet roads. Dressing/shower and administration facilities as for cross country. It is desirable that Start / Finish areas should be on a closed off section of road or in an area which is almost devoid of through traffic.

Please return completed form by Friday 14th September to:
