President's Message

On behalf of Athletics Ireland, I would like to welcome you to Tullamore Harriers Stadium which is hosting the Irish Life Health Juvenile Track and Field Championships held over 3 days this weekend. This marks a hugely welcome return to National Juvenile Championships which had been severely impacted by the Pandemic which ultimately led to cancellation of all planned Championships since early 2020. Great credit is due to regions who held their own Championships in recent weeks which resulted in the qualifiers for this weekend and the remaining Juvenile Championships in the weeks ahead.

I would also like to recognise the huge efforts made by our clubs and coaches to facilitate training for our young athletes when it was permitted and to keep them engaged with our wonderful sport during the most difficult of times which eventually led to this weekend. There are Covid 19 protocols in place this weekend and we thank you in advance for adhering to them for everyone's safety and protection.

The National Juvenile Track & Field Championships are the culmination of the domestic calendar. In recent weeks it was fantastic to see so many of our past and present Juvenile stars in action in international events; European U20 and U23 Championships in Tallinn, Estonia, the 32nd Olympic Games in Tokyo, Japan and last weekend in Franconville, France. It was great to see our young athletes perform so well in those international events and our hope is many from this weekend will get the same success and opportunity in the future.

Our gratitude to our sponsors Irish Life Health for their continued support of our Championships. We once again look forward to working with Gerard Davis, Liz Rowen and the team in Irish Life Health. Their positive support of our Championships is much appreciated.

These Championships will be the first held under the newly elected Juvenile Committee chaired by Evelyn O'Reilly. Thank you to Amanda Hynes the Track & Field Secretary for the preparation of these Championships along with the Competition Department of Barry Pender, James Welsh and Valerie O'Brien and the other stakeholders. Indeed, great credit is due to the outgoing and incoming Juvenile Committees, the Competition Department, Fixtures Group and the Regions who have since the early part of this year worked tirelessly together towards the now realised target of Regional Championships in July and National Championships in August for our Juvenile athletes incorporating Covid 19 protocols.

Our thanks to Tullamore Harriers for hosting these Championships and for all their support in the lead up and during the weekend. We wish them well on the upcoming resurfacing of the track which has already suffered many delays due to the pandemic. This will be only the second resurface since the original surface was laid at the end of the 1970's. Over the next few weekends, I am sure there will be many brilliant

Chairperson's Message

Juvenile Chairperson's Message

It is with a happy heart that we welcome all the Juvenile athletes back to the Irish Life

Health National Juvenile Age Group Championships here in Tullamore. Following the disappointment of 2020 when we had to cancel the entire Juvenile program due the Covid-19 pandemic, I wish to acknowledge the hard work and dedication of the all the Regions, the Juvenile committee, the Finance and Risk committee, and very importantly the Tullamore Harriers club who have rescheduled works on the track facilities to accommodate the Championships. Nothing is easy in these times with ongoing restrictions, and I thank you all for your co-operation and understanding in helping to make these Championships enjoyable and safe for everyone.

Thanks to our sponsors Irish Life Health for their generous sponsorship of this event. To all the young athletes I wish you the all the very best of luck in your events and remember your club coaches and officials who helped your progress this far, participation in some form of sport has never been as important for their youth of Ireland as it is at the present time.

In this year of the Tokyo Olympics, it is wonderful to see so many athletes on the Irish team who have all performed here in National Juvenile events in the not-so-distant past. Also, our congratulations to the u23 and u20 teams who performed so well in Tallinn last month and our medal winners Rhasidat Adeleke, double Gold in the 100m and 200m, Cian McPhillips, gold in the 1500m, Nicholas Griggs, gold in the 3,000m and David Kenny, silver in the u23 20k Walk. Just last weekend a team of 23 under 18 athletes traveled to Paris to the Franconville Invitational International, it great to see young Irish athletes holding their own on the world stage.

A special thanks to the parents for their support and encouragement in the development of their children in athletics and long may it continue. It is encouraging to see the number of young athletes who continued with their athletic pursuits even when our clubs had to shut down. Thanks to all the volunteers at Club, County, Regional, and National level for their great work throughout the year.

Thanks to the stadium ground staff and catering staff for providing catering here this weekend and to the members of the medical staff for providing excellent first aid cover.

Thanks to all the officials who are working here today, your help in the smooth running of this event is very much appreciated.

Thanks to Amanda Hynes, competition secretary for all her work over the past few weeks, to the staff at Athletics Ireland at Northwood Court led by Barry Pender Competition Manager ably assisted by James Welsh and Valerie O'Brien. Thanks to my fellow members on the juvenile Committee and the continued help and assistance at competitions and in the development of athletics.

I wish all a very enjoyable and eventful day here in Tullamore and a safe journey to your destination afterwards.

Evelyn O'Reilly
Juvenile Chairman

Code of Ethics and Good Practice for Children's Sport

Policy Statement for the Athletic Association of Ireland

The Athletic Association of Ireland is fully committed to safeguarding the well being of all of its members. Every individual in Athletics Ireland should at all times show respect and understanding for members rights, safety and welfare and conduct themselves in a manner that reflects the principles of the organisation and the guidelines contained in the:

Code of Ethics and Good Practice for Children in Athletics

In Athletics Ireland our first priority is the welfare of the young people and we are committed to providing an environment which will allow participants to perform to the best of their ability, free from bullying and intimidation.

This is an extract from the Policy Statement from the Code of Ethics and acts as a guide for all rules. The Code has been distributed to all clubs and is readily available from Athletics Ireland.

Policy on Photographers

For Indoor Competition, no photographers (except Sportsfile where required) are allowed at any time within the competition arena (track or field area).

For Outdoor Competition, a limited number of passes are available to press credentialed photographers. These are available on application from the Meet Director or Competition Manager prior to the start of the first event of that day's program.

Attire

Official club singlets must be worn in all national competitions. If club singlet is not available, a plain white vest or tee-shirt is acceptable.

National Apparel is to be worn only when representing Ireland at International Competition. No athlete should compete wearing Athletics Ireland shorts at a National Event.

In general shorts should be single colour, not patterned. While a Nike/Adidas etc logo is acceptable, multi-coloured or patterned shorts are not.

Where possible shorts should complement the singlet, if in doubt black is always acceptable.

Competition Code of Conduct For Parents, Coaches & Mentors

Parents/Guardians should lead by example:

- Adopt a positive attitude to their children's participation
- Respect officials decisions and encourage children to do likewise
- Do not exert undue pressure on your child
- Never admonish your child or any other child for their performance
- Be realistic in their expectations
- Show approval for effort, not just results
- Never embarrass a child or use sarcastic remarks
- Applaud good performances from all children
- Do not criticise children's performances
- Do not seek to unfairly affect a result
- Do not enter the competition area unless specifically invited to by an official in charge
- Never use foul language or provocative gestures to officials
- Do not question an official's decisions or integrity
- Encourage children to respect and accept the judgment of officials
- Promote fair play

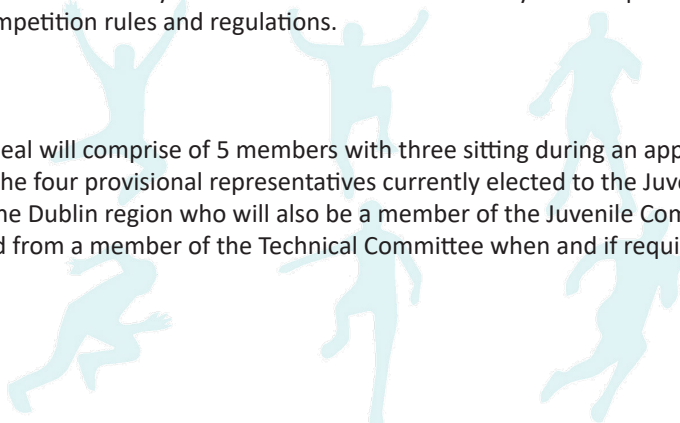

Check the program for the Referee or Children Officers name – these are the people to speak to if you have a complaint

Any Breach of this code may lead to your exclusion from future events

Athletics Ireland is fully committed to providing a positive, fair and safe environment for our children and officials. Athletics Ireland acknowledges that without the commitment of our officials who freely and generously give their time, it would not be possible to provide competitive opportunities for your children. Officials have a duty to be impartial, fair and fully informed of competition rules and regulations.
