\* Athletes denoted will draw down 75% of award, with remaining 25% paid upon achieving criteria in 2022

\*\*Leon Reid, Menapians 200m Tokyo Olympic semi-finalist, has achieved International carding criteria and will continue to be supported in 2022. Note following his recent court case Leon Reid has received a suspended sentence and community service. A recent Athletics Ireland high performance panel review of this case also requires additional community service to be completed by Leon. Athletics Ireland is committed to the holistic support and development of all our elite athletes. We note Sport Ireland is still reviewing this decision.
