2. ENTRY RULES

2.1 Each European Athletics Member Federation may enter a maximum of 8 (eight) athletes in each event, of which a maximum of 6 (six) may participate.

2.3 Only athletes aged at least 18 (eighteen) years on 31 December of the year of the competition may participate in the 10km (Men and Women)

3. SELECTION PHILOSOPHY

3.1 Athletics Ireland views the 2025 European Running Championships as a Performance Development event which can provide our leading distance athletes with an opportunity to pursue qualification for major championships, and as an opportunity to foster greater depth in the distance events in support of enhanced performances at major championships. Therefore, Athletics Ireland has set the selection criteria and philosophy for the 2025 European Running Championships so that **a team selected to compete will have the potential to obtain a top 6 finish and individuals will have the potential to obtain a top 24 finish.**

4. SELECTION PROCESS**Participation Criteria**

4.1 Nothing in this Policy obliges Athletics Ireland to select a full team or individual(s) in any event regardless of the Entry Rules or the Performance Standards. Athletics Ireland will select its Team according to the criteria set out in this Policy as allowed by Entry Rules. **Achieving a Performance Standard gives no right or guarantee of selection.**

Eligibility

4.2 In order to be eligible for selection all athletes must:

- 4.2.1 Fill out a [National Team Declaration Form](#) (NTDF) on Athletics Ireland High Performance website before 31 January 2025.
- 4.2.2 Satisfy all World Athletics eligibility, nationality and European championship participation rules.
- 4.2.3 Be a registered member of Athletics Ireland.
- 4.2.4 Remain in “good standing” with Athletics Ireland and at all times comply with any established code of conduct or athlete agreement and otherwise conduct themselves in a way that does not bring their sport or the National Team into disrepute.
- 4.2.5 complete the European Athletics anti-doping education programme at www.irunclean.org.

Performance Standards

4.3 Athletics Ireland’s Performance Standards for the 2025 European Running Championships are set out in clause 6.

Qualification Period

4.4 Athletics Ireland has set the Qualification Periods for this event as follows:

- 4.4.1 1 January 2024 to 31 January 2025 for the Marathon.
- 4.4.2 1 January 2024 to 23 March 2025 for the Half marathon and 10km.

General Selection Criteria

- 4.5 The Selection Panel may “exercise their sole discretion” to select a team or individual(s) that meets with the eligibility and entry rules of the 2025 European Running Championships and as stipulated in this Selection Policy.
- 4.5.1 The Selection Panel may use their sole and overriding discretion to consider any factor or combination of factors that, in their opinion, are relevant to the selection of an athlete, including, but not necessarily limited to the following general principles:
 - A. **Consistency and Repeatability** of performances (in all or any events) during the qualification period, achieving the performance standard and showing current form and fitness
 - B. **Statistical data** (ranking/performance list, performance-time curves, course ratings, altitude/wind adjustments)
 - C. **Championship performance history**, in particular, the history of the athlete’s on-demand performances at major championships
 - D. The competitive **head to head record** of each athlete
 - E. **Injury and illness** history
- 4.6 Where there are more athletes that have achieved the selection criteria in this policy beyond the maximum entry limit, the Selectors will have sole discretion to decide which of the athlete(s) is to be selected.

Individual and Team Selection Criteria

- 4.7 For an athlete **to be considered for selection** to the 2025 European Running Championships an athlete must achieve a Performance Standard (see clause 6) within the Qualification Period (see clause 4.4).
- 4.7.1 Where two (2) athletes have been selected in any category (M/F) having achieved the qualification standard, selectors reserve the right to select a third athlete who has not achieved the standard in order to complete a scoring team where they believe that team has the potential for a top six finish. When doing so Selectors will consider General Selection Criteria as outlined in clause 4.5.1 and will prioritise athletes pursuing qualification standards for upcoming 2025 and 2026 championships.
 - 4.7.2 In circumstances where no athlete has been selected in any given event having achieved the Performance Standard, Athletics Ireland will consider selecting a maximum of one (1) athlete in that event regardless of having achieved a performance standard. When doing so, selectors will consider athletes based on combined 2024 and 2025 Top Performance Lists as of 23 March 2025 and with reference to all other requirements as per policy.
 - 4.7.3 Given the unique format of this event, with athletes selected to represent Member Federations competing alongside athletes entering directly, and having considered athletes for selection as per 4.7, 4.7.1 and 4.7.2, Athletics Ireland will consider adding athletes, who have entered directly, to National Team entries where that athlete is of a sufficient standard to potentially contribute to a scoring team capable of finishing in a Top 8 position. Travel and accommodation costs for athletes selected in this manner will not be covered by Athletics Ireland
- 4.8 Athletes wishing to be considered for selection should discuss this with [Athletics Ireland Performance Endurance Lead](#) and should identify how their participation at this event supports their performance plan and goals and is consistent with Athletics Ireland’s selection philosophy (See clause 3).

After Selection

4.9 For the purposes of clarity, it is the intended operation of this Policy that **all selections in the Team remain conditional** up to and through the championships given the athlete shows form and fitness.

4.9.1 Failure by a selected athlete to show form and fitness prior to the Championships will, at the discretion of the Selectors, Performance Director and/or Team Manager result in an athlete who has been initially selected to the team being withdrawn.

4.10 An athlete who enters the Athletics Ireland Team Camp and/or the 2025 European Running Championships 'village' may be subject to an injury evaluation/assessment by the championship Team Management staff. The injury evaluation/assessment will be carried out by Athletics Ireland's Physio (or appointed Team Physio).

4.10.1 If as a result of such injury evaluation/assessment the Team Physio, Team Management staff, and Team Leader/Manager considers an athlete does not have the standard of fitness or is otherwise not in condition to compete due to injury at a level appropriate to the event(s) for which they have been selected, the Team Leader/Manager will have the sole discretion to withdraw the athlete from the competition.

4.11 An athlete who is found to have breached any Athletics Ireland, WA, EAA, LOC or other relevant code of conduct may be withdrawn from the competition at the sole discretion of the Team Leader/Manager.

Selection Queries

4.12 Athletes can seek clarification regarding selection policy from the [Athletics Ireland Performance Director](#).

Non-Selection Appeals Process

4.13 The publishing of selected athletes (Selection Announcement) on Athletics Ireland website after a selection meeting will be **deemed the commencement of the 24-hour period to lodge non-Selection Appeals** in accord with this Selection Policy.

4.14 Any athlete who is not selected in accordance with this Selection Policy may appeal their non-selection to Athletics Ireland providing they:

A. Have submitted an NTDF in accordance with timelines contained in this Selection Policy and;

B. Submit a notice of their intention to appeal their non-selection via online [Notice of Appeals Form](#) within 24 hours of the selection decision published on the Athletics Ireland website (i.e. the Selection Announcement). 4.15 The [Selection Appeals Procedure](#) can be found on the calendar pages of Athletics Ireland HP website.

4.16.2 The decision for selection for the championship has been reached based on an error of fact.

4.17 The Selection meeting will be held on 24 March 2025.
